2023 IEEE Region 1 and Region 2 Joint Student (Research) Conference

Posted on: Sunday, February 19, 2023 4:55:00 PM EST

Dear Everyone,

Greetings to you.

Hope everything is great with you. If you have any **research** project, senior design **research**-based project, and/or any high-quality course **research**-based project that you may want to present to others, please register for the upcoming "**2023 IEEE Region 1 and Region 2 Joint Student (Research) Conference**" event. The partly completed **research** efforts/project or the demonstrable **research** methodologies with certain preliminary results are acceptable as well. **Effective participation in this conference** can show your engineering skills and add significant values to your career resumes.

You can learn more about this event and register for it in:

"<https://ieeer1.org/r1r2mainestucon>".

If you are interested in this conference, kindly send an email to me or **Dr. Md Tajmilur Rahman**, "rahman007@gannon.edu" for more information.

I am highly grateful for your understanding, valuable time, and considerations. Please let me know if you have any questions and/or comments.

Thank you.

Best Regards,

Shayan (Sean) Taheri, Ph.D.

IEEE Membership and IEEE Young Professionals Group

Posted on: Sunday, February 19, 2023 2:54:29 PM EST

Dear Everyone,

Greetings to you.

Hope everything is great with you. **Institute of Electrical and Electronics Engineers (IEEE) Young Professionals (YP)** is a group of IEEE members and volunteers who have graduated from their first professional degree within the past 15 years. It is an international community, whose members are interested in elevating their professional image, expanding their global network, connecting with peers locally, and giving back to their community. Since it encompasses all members from recent university graduates to experienced professionals and entrepreneurs, the group is highly diverse in what it has to offer. We are currently looking for volunteers who would be interested in Young Professional leadership roles at the Area and Region levels. A number of the responsibilities would be:

01. Manage and lead IEEE Section Young Professional Affinity Group through the IEEE committee structure.

02. Set-up and run Regional YP activities -- virtually, in-person, and both/hybrid as decided by group.

03. Report on activities and represent the Region in IEEE activities, both virtually and in-person.

More information about IEEE YP can be found here: "yp.ieee.org".

The **IEEE Women in Engineering (WIE)** International Scholarship: "<https://wie.ieee.org/wieinternationalscholarship>".

If you are interested in this volunteering opportunity, please email **Ms. Marwah B. Obaid**, "obaid003@gannon.edu".

The **IEEE Membership**: You need a reference to register, so kindly can use her full name and her related number. Also, please consider the following information as well as the **IEEE Materials** (i.e., available in the "Course Resources" section of your toolbar) in your IEEE registration process.

Registration Fee: 32\$/Year (After Discount: \$16\$/ Year). Discount Code: "FUTURE50".
